1

DROP-IN HORIZONTAL ROTARY HOOK

The bobbin is loaded from above, making it effortless to start sewing, and the clear cover enables you to see when the bobbin is running out. The 550, 560 and 570α models offer additionally a guide to further facilitate threading.

2

LED LIGHTING

Compared to conventional lighting, LED bulbs provide a brighter and shadow-free illumination on the eXperience 550, 560 and 570α models. Power-saving and eco-friendly, they are a smarter solution altogether.

3

BUILT-IN NEEDLE THREADER

Just one movement and the needle is threaded! Save precious time and get down to work immediately.

4

FREE ARM

An invaluable feature for sewing tubular items, such as sleeves or trouser hems, as well as for smaller projects and darning.

5

AUTOMATIC THREAD CUTTER

The eXperience 560 and 570α are equipped with this time-saving feature simply operated with a button. You can easily and quickly cut the threads with one touch. On the 570α model, the thread cutter can also be programmed at the end of a stitch combination.

6

STITCHES AND COMBINATIONS

We selected a range of functional and beautiful decorative stitches, including elna-exclusive patterns, for delightful effects. The memory function of the 570α with alphabet enables you to create and temporarily save individual stitch combinations, including text or names.

7

EXTRA-HIGH PRESSER FOOT POSITION

Facilitates the positioning of your work when sewing thick fabrics or multiple layers.

8

EXTENSION TABLE

Included as a standard accessory with the eXperience 550-560-570α for working on large-scale projects.

STANDARD ACCESSORIES

Presser feet: standard foot A, overedge foot C, zipper foot E, satin stitch foot F, blind hem foot G, 1/4" seam foot O, automatic buttonhole foot R with stabilizer plate.

Bobbins, seam ripper, needle set, lint brush, spool holder large and small, additional spool pin, screwdriver, foot controller, instructional video (on elna website), hard cover.
